Volume VI

Will you make us laugh,  
Will you make us cry,  
Will you tell us when to live,  
Will you tell us when to die.  
I know we've come a long way,  
We're changing day to day.  
Every bottle's empty now.  
and all those dreams are gone,  
Ah, but the song comes on . . .

Cat Stevens

A warm face we'll never forget. His smile still shines in our minds. He did for others what no one else would think of doing. He always found the time to stop what he was doing when anyone had had something to say. For we ask God why him? But we should thank him that Dean was with us as long as he was. When God took Dean Yost from among us he took a part of us with him.

But he still remains in our hearts and all the memories and smiles and good times still remain glued in our memories as though they happened yesterday.

Dean was a member of the Town Football League, and was irreplaceable this year. An excellent competitor on the field and a gentleman off the field. He was looked up to by his teammates and was an inspiration to all.

Let us all carry on living and not cry for ourselves but think of Dean and smile softly to ourselves, because that's all there ever was when Dean was with us: Happiness.

Bob LaPoint  
Scott Kramer  
Mike Tracey

"When you part from your friend, you grieve not; For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain."

Then a woman said, "Speak to us of Joy and Sorrow. And he answered: Your joy is your sorrow unmasked. And the self same well from which your laughter rises was oftentimes filled with your tears.

And how else can it be? The deeper that sorrow carves into your being, the more joy you can contain. Is not the cup that holds your wine the very cup that burned in the potters oven? And is not the lute that soothes your spirit the very wood that was hallowed with knives? When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow that is giving you joy. When you are sorrowful look again in your heart and you shall see that in truth you are

weeping for that which has been your delight. Some of you say, "Joy is greater than sorrow," and others say, "Nay, sorrow is greater." But I say unto you, they are inseparable. Together they come, and when one sits alone with you at your board, remember that the other is asleep upon your bed. Verily you are suspended like scales between your sorrow and your joy. Only when you are empty are you at a standstill and are balanced. When the treasure-keeper lifts you to weigh his gold and his silver, needs must your joy or your sorrow rise or fall.

Kahlil Gibran

I loved him very much and always will feel for him. We were very close. We had good times and bad, but the bad remained good. I will never forget times we had together. He was happy every time I saw him. He was always smiling. Happy — never sad — doing things he liked to do.

Cathy Conley

The souls of people exist, after they pass away. Though he isn't here, I feel his presence. A day will come for my soul to exist, just as his does.

"... No man is an island. Each man is a part of the main..." I feel this of Brad, he touched our lives.

E. G.

My life is but a shadow of a dream — and the stars, like you and I. We all enjoy peace and love, contentment...

H. W.

Mellow is the man, who knows what he's been missing, many men can't see the open road.

Many is a word that only leaves you guessing. Guessing about a thing you really don't know about...

### BRAD'S SONG

Nobody saw him  
As he lay there  
He said oh  
let me go  
Oh Oh why'd he go  
As a friend, he played  
In a band  
That could have been  
Oh Oh why'd he go  
Everyone loved him  
And if he'd known  
I don't think he  
Would have gone.  
Oh Oh why'd he go.

"GRIFFIN"

Do not keep the alabaster boxes of your love and tenderness sealed up until your friends are dead. Fill their lives with sweetness. Speak approving, cheering words while their ears can hear them, and while their hearts can be thrilled by them.

I waited too long, I realized that as I stood helpless by your bed at St. Francis.

The class of 1976 would like to thank Mrs. Jedrzewski and Mr. Arnold for all the help and patience they have given us in our four years at T.H.S. We especially appreciate them for allowing us to plan and do the things we wanted and learn by the mistakes we made.

# Class

*Memories light the corners of my mind.*

*Misty water colored memories of the way we were.*

1972 ~ 1973

Many students and teachers alike attended and thoroughly enjoyed the performance of "Godspell" in Boston.

Students spend all their free time writing Milky Way on 3 by 5 cards.

The eighteen year old became an "adult" in the eyes of the world. The majority age was lowered and they received the right to vote and purchase liquor.

The biology class at T.H.S. made school history with its 80 students. Slightly overcrowded, the class will never be forgotten.

Our first big experience in life was the day when we entered first grade.

Our second big experience in life was the day we entered high school. Although we had gone to T.H.S. during fifth and sixth grade, we still had a few tinges of nervousness.

As freshmen we were on the bottom of the totem pole, but soon were accepted and we were on our way through our high school years.

Even though we were only freshmen we won "Spirit Week" over all the other classes.

Students visited Spain for ten days of great fun.

Fashion this year was dedicated to the saddle shoe. Reminiscent of the 50's, hundreds of feet would be seen wearing the popular "black and whites."

# History

*Scattered pictures of the smiles we left behind,  
Smiles we gave to one another for the way we were.*

1973 ~ 1974

Families in Tolland were barely recovered from the tornado this year when the worst ice storm in years gripped them. Never to be forgotten by many are the weeks of no heat and no electricity. The lucky ones who went unharmed came to the aid of others.

The watergate coverup headlined the news this year appalling the American people. The confidence in the American government for both youth and adult, was seriously shaken. Spiro Agnew was forced to resign sparking the eventual procession of three vice presidents in a year's time.

One of the most enduring school memories of this year was the series of principal changes that took place. Mr. Richard Olsen left to be followed by Mr. Arthur Hetherington, Mr. George Perry and finally by Mr. Roy Nierendorf.

Our class had proved we are number one by winning "Spirit Week" again this year.

Everyone enjoyed the Senior Class play "Deadly Earnest." The actors and actresses did a good job.

Can it be that it was all so simple then, or has time  
rewritten ev'ry line? If we had the chance to do it all  
again, tell me would we? Could we?

❖❖❖❖❖❖❖ 1974 ~ 1975 ❖❖❖❖❖❖❖

Gasoline prices soared to a new high as lines formed at gas stations throughout the town. Trips were curtailed as the energy crisis reached a new high.

Success was never sweeter than our first victory over Ellington High School's basketball team. We will never forget the score of 58-50 or the ecstatic crowd.

We saw the inauguration of Connecticut's first woman governor, Ella Grasso.

Tolland High School had its first vice principal since the school began with the coming of Eleanore Gowen.

The Corner Shoppe, our first school store opened this year. We all appreciated the work being put into this project.

Sports highlights of the year at T.H.S. was the success of Tolland's Cross Country Team. Winners of the state meet and NCCC meet, they became a first at Tolland High School.

*Memories may be beautiful, and yet, what's too  
painful to remember we simply choose to forget.*

*So it's the laughter we will remember — whenever we  
remember — the way we were;*

1975 ~ 1976

Everyone formed lines at their  
local theater to see the new movie  
"Jaws." Haven't seen any of you at  
the beach lately!

Celebrating the incoming year —  
America's two-hundreth birthday.  
Does anyone remember New Years  
Eve?

The Tolland Friends of Music are  
doing a fantastic job of raising money  
for a new music wing which is badly  
needed.

Congratulations to the first girls'  
hockey and cross country teams — all  
you girls did a fine job.

The Senior Class play was a huge  
success. Over 100 T.H.S. students  
were involved in this project. Every-  
one, adults and children alike, thor-  
oughly enjoyed it.

Resignation of our Principal Mr.  
Roy Nierendorf surprised many stu-  
dents. Mr. Benjamin Macey is our act-  
ing principal.

# The Navy Campus for Achievement Program.

## It's an education.

This new program may pay up to 75% of your tuition costs for off-duty education and training. It could give you credit toward a college degree for civilian or Navy work experience. Or for college or correspondence courses you've completed. It could help you earn a technical school certificate. Or a high school diploma. It could even give you 10 years to obtain your college degree. No matter how you look at it, the Navy Campus for Achievement is an education. Heid -  
your a really super  
kid we've been friends  
for a long time and you're  
the only one I've ever  
gotten along with, without  
fighting over something or  
another. Always remember the  
time at the graveyard with our  
"Peppermint X", and we even  
had the same underwear on.  
And they were both Deb's.  
And it's the same as last year if  
you're in trouble you know where to go.  
Love ya,  
Kee!
